### **DECLARATION OF DIANA BAYLISS REGARDING PETITION TO CORRECT FILING DATE UNDER 37 C.F.R. 1.10(d)**

Sir:

I, Diana Bayliss, declare:

1. I am employed as a Customer Service Manager by Pitney-Bowes, which provides office support services to the law firm of McDermott, Will & Emery, 2049 Century Park East, Suite 3800, Los Angeles, CA 90067, including mail services.

2. I supervise the Pitney-Bowes Office Services personnel at McDermott, Will & Emery. On Friday, July 25, 2003, I specifically supervised the delivery of the firm's Express Mail packages by Edna Long.

3. On Friday, July 25, 2003, I observed Ms. Long delivering all Express Mail packages to the Express Mail Drop Box at 2049 Century Park East well before the 3 p.m. cut-off time posted by the U.S. Postal Service.

4. I since learned that the Post Office erroneously marked the "date in" and "time in" for Express Mail Label No. EV313253205US as July 26, 2003 at 12:30 a.m.

5. After learning what had happened, I called our branch office of the U.S. Postal

Service (which is the Village Station, located at 1100 Wilshire Blvd., Los Angeles, California). I spoke with the Station Manager, Kim Ricard. Ms. Ricard told me that the carrier had picked up the mail from our location at 2049 Century Park East on July 25, 2003, at 4:01 p.m., rather than at 3 p.m. as scheduled. Because of this delay, she said that the packages did not arrive at the local station in time to be processed by a window clerk. Instead, she said that they were sent on to the central processing station. She said that this delay ultimately caused the Express Mail from 2049 Century Park East on July 25, 2003, to be put with a backlog of Express Mail and not to be logged in until very early the next morning on July 26, 2003.

6. Ms. Ricard gave me a copy of the U.S. Postal Services' own Collection Management System Scanner History Detail Report showing the late pick up of the Express Mail from the Drop Box at 2049 Century Park East. A copy of this Collection Report is attached as Exhibit A. This report shows that the actual time of pick-up for this box was 4:01 p.m. – late one hour and one minute.

I hereby declare that all statements made in this declaration of my own knowledge are true and that all statements made on information and belief are believed to be true. These statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Signed this 4 day of September 2003, at Los Angeles, California.

  
Diana Bayliss
